It answers so many questions and fills in the blanks that are there from scripture. Some things might be a little over the top. But just stick with it. It is so worth it! I enjoyed the book. At times I could imagine myself in that time, it also gave some clarity to what I had already read in the KJV of the bible. I greatly enjoyed this work. The text and the narration were both exceptional. Completely accurate or not the information is awesome there is a ring of truth I would not put it on the "same shelf" the bible Amazing Work as always Dr. Ken Johnson. Keep the books coming. Highly recommend Biblefacts Ministries Kevin (Slingshot) 02-25-22 I DO NOT recommend this for a new Christian or if you do not have a grasp on the Bible. Although it does have a few Biblical truths it's filled with A LOT of over the top tales that are 100% non-biblical, I TOTALLY UNDERSTAND why it's not part of the Bible. The Holy Spirit definitely was pointing out the falsehoods in the writings. Wish I had NEVER listened to one minute of it to be honest. Praise GOD for the KJV !!!!! too much untruth on the timeline, this is not an inspired book from the holy spirit, just plainly disappointed, this is not the true book of jasher A very interesting book and a great eye opener. An interesting book for any one who loves the Bible. A great work again by Ken Johnson Th.D. Thank you very much for this book. The reader was really good. I loved it. I And I also cried. I highly recommended read / listen. Anyone serious about the study of Biblical history would be doing themselves a severe discredit should they ignore this ancient and reliable book. (5 stars) very insightful parallel of the sacred texts, does an excellent job of filling in the gaps that the bible texts leave out. There are 3 or 4 items sporadically that cause me to wonder about legitimacy on certain topics, almost as if it's trying to steer the focus or detract credentials of a certain patriarch, and a couple of those episodes make you wonder if certain things are fabricated rather than authentic; but other than those few examples I am highly pleased and blessed beyond description to have listened. I will say that unless you already know the Bible very very well it is unlikely that you will appreciate what the content of this book and what it does. I doubt very seriously that unless you already know the Bible you will even be able to pick up on the oh so many gaps that it does fill. I would not recommend reading this work until a solid biblical foundation has been laid simply for the reason of trying to tack a foundation on top of a house top rather than building the house upon the foundation. (5 stars) An excellent extra biblical text along with the book of Enoch that clears a lot of history the Vatican felt needed hid from the people... Helps put Genesis chapter 6 into better understanding of the fallen angels and Nimrod and his demise at the hand of Esau... Highly recommend read(along). (5 stars) Didn't realize so much was left out of the Bible trying to study books omitted (5 stars) I wish I had read this years ago! (5 stars) The pleasant voice of C.J. Plug reads the entire book for us. Thank you C.J.Plug. I agree with another reviewer who states you must have read and have a good understanding of the Holy Bible to understand this book in context. I recommend this book along with the books of Enoch to have a better understanding of what was left out of the Holy Bible and what confirms the Holy Bible. (5 stars) These missing historical details are crucial if one wants to truly understand what was special about Abraham and his descendants. The descendants of Noah are explained so very well that it eliminates the silly need for Gods of mythology as it correctly replaces them with the children and grandchildren of Noah in easy to understand...inspired literature. Priceless! (5 stars) It might be heretical, but it is a darn good story. Fills in lots of missing parts of the bible. Not really sure if those missing parts are inspired or not. (5 stars) Great Book. Biblically endorsed. I listened to the audio while following along with a free Book of Jasher App. Reader has a pleasant voice. I was not disappointed. The Book of Jasher, which means "The Book of the Upright", is a non-canonical book mentioned twice in the Hebrew Bible. The narrative covers the period presented in Genesis, Exodus, Numbers, Deuteronomy and Joshua in greater detail and with explanations that are not recorded in the Bible.In this professionally recorded audiobook, the rarely heard stories of the Book of Jasher are brought vividly to life by British narrator Christopher Glyn, best known for his narration of the King James Bible along with many other widely acclaimed Christian devotional works. As with all of his previous works, Christopher's profound knowledge and understanding of the text, combined with an accomplished, truly virtuoso delivery, provide the listener with a rich interpretation of - and enthralling insight to - these inspirational and little-known and understood texts. 4.6M 01 - Certificates download 11.6M 02 - Preface download 16.1M 03 - Translator's Preface download 13.4M 04 - Translation of Hebrew Preface download 7.2M 05 - Printer's Preface download 7.0M 06 - Chapter 1 download 6.5M 07 - Chapter 2 download 8.1M 08 - Chapter 3 download 3.9M 09 - Chapter 4 download 5.6M 10 - Chapter 5 download 7.2M 11 - Chapter 6 download 8.9M 12 - Chapter 7 download 7.3M 13 - Chapter 8 download 8.2M 14 - Chapter 9 download 7.6M 15 - Chapter 10 download 11.7M 16 - Chapter 11 download 13.9M 17 - Chapter 12 download 7.1M 18 - Chapter 13 download 6.5M 19 - Chapter 14 download 8.9M 20 - Chapter 15 download 7.4M 21 - Chapter 16 download 3.8M 22 - Chapter 17 download 9.0M 23 - Chapter 18 download 11.1M 24 - Chapter 19 download 5.9M 25 - Chapter 20 download 8.6M 26 - Chapter 21 download 10.1M 27 - Chapter 22 download 17.0M 28 - Chapter 23 download 9.2M 29 - Chapter 24 download 6.0M 30 - Chapter 25 download 7.9M 31 - Chapter 26 download 3.4M 32 - Chapter 27 download 5.8M 33 - Chapter 28 download 10.7M 34 - Chapter 29 download 6.0M 35 - Chapter 30 download 14.6M 36 - Chapter 31 download 14.1M 37 - Chapter 32 download 10.5M 38 - Chapter 33 download 14.7M 39 - Chapter 34 download 5.2M 40 - Chapter 35 download 7.4M 41 - Chapter 36 download 9.8M 42 - Chapter 37 download 11.1M 43 - Chapter 38 download 14.7M 44 - Chapter 39 download 11.2M 45 - Chapter 40 download 7.7M 46 - Chapter 41 download 12.2M 47 - Chapter 42 download 10.6M 48 - Chapter 43 download 18.9M 49 - Chapter 44 download 7.1M 50 - Chapter 45 download 4.4M 51 - Chapter 46 download 7.0M 52 - Chapter 47 download 14.7M 53 - Chapter 48 download 10.1M 54 - Chapter 49 download 7.8M 55 - Chapter 50 download 12.5M 56 - Chapter 51 download 10.3M 57 - Chapter 52 download 7.8M 58 - Chapter 53 download 24.0M 59 - Chapter 54 download 8.0M 60 - Chapter 55 download 14.1M 61 - Chapter 56 download 10.4M 62 - Chapter 57 download 7.5M 63 - Chapter 58 download 4.2M 64 - Chapter 59 download 7.0M 65 - Chapter 60 download 6.5M 66 - Chapter 61 download 6.2M 67 - Chapter 62 download 7.4M 68 - Chapter 63 download 9.3M 69 - Chapter 64 download 7.4M 70 - Chapter 65 download 5.8M 71 - Chapter 66 download 11.1M 72 - Chapter 67 download 5.1M 73 - Chapter 68 download 1.8M 74 - Chapter 69 download 8.2M 75 - Chapter 70 download 2.9M 76 - Chapter 71 download 6.5M 77 - Chapter 72 download 7.0M 78 - Chapter 73 download 3.8M 79 - Chapter 74 download 3.5M 80 - Chapter 75 download 9.2M 81 - Chapter 76 download 7.6M 82 - Chapter 77 download 2.7M 83 - Chapter 78 download 9.8M 84 - Chapter 79 download 9.6M 85 - Chapter 80 download 9.4M 86 - Chapter 81 download 5.5M 87 - Chapter 82 download 6.2M 88 - Chapter 83 download 5.5M 89 - Chapter 84 download 11.2M 90 - Chapter 85 download 1.8M 91 - Chapter 86 download 2.0M 92 - Chapter 87 download 11.0M 93 - Chapter 88 download 8.6M 94 - Chapter 89 download 8.7M 95 - Chapter 90 download 3.0M 96 - Chapter 91 download
